Part 6: Fun Life

Small Group Study Guide

Warm Up:

1. What do you do for fun? (Give some things you're proud of and maybe some you're not so proud of...)
2. Do you think God cares about us having fun?
3. Read Proverbs 17:22. How is this true?

Digging In:

4. Read 1 Corinthians 10:31. Does it seem strange to ask God about the ways we have fun?
5. What are some examples of "fun" people have that are clearly sinful? How do people justify themselves?
6. We talked about the time spent having fun versus using the time for other things? Are there opportunities for you in this?
7. What is fun for God?
8. We talked about making the trade. Do you think God could have a different kind of fun for you? Does this thought excite or sadden you?

Wrapping up

9. Discuss among the group some ideas for fulfilling fun.
10. Is there a change God wants you to make? Is there a new level of living He wants to give you?
