

Group Covenant #2

(From www.naturaldiscipleship.com)

We commit to meeting on a weekly basis to build relationships that create an atmosphere of community and openness for spiritual growth and understanding of God's Word.

For this to become a reality we commit to these simple steps:

- a. Be committed to being on time and at every session. (unless there is a family emergency or other uncontrollable event)
- b. Be prepared by reading through and answering all the questions in the materials.
- c. Be willing to be transparent, authentic and confidential with one another.
- d. Be faithful in praying for two people who are not believers.
