ANNEX: About the “Complete Spiritual”

- A. This is a tool, meant to challenge us and show us areas for growth; not for condemnation.
 - a. See the “goal” statement at the top of page 4 in your booklet.
- B. The first section on “New Birth”
 - a. Questions 1 & 2 – These are not about perfection, they’re about belief.
 - b. Questions 3 & 4 – These are about assurance and peace from the Spirit that you have been saved, and about life change that shows fruit. See verses for reference. If there are no fruits, this should be concerning.
- C. Sections 2-6 – It’s very difficult to answer all these correctly, but it is possible. The key is to be honest, humble and see where we can improve. Breakthrough is possible!
