

## **Are You Sure?**

### **Matthew 22:11-14**

#### **Discussion Questions:**

- 1. Have you ever worn an outfit that was wrong for the occasion? Have a couple of people tell their stories.**
- 2. Take turns going around the circle, giving each person a chance to share a 3-4 minute version of how they became a Christian. If some are still exploring Christianity, no problem; they can say, "I'm still exploring."**
- 3. Do you believe in a literal heaven and hell? Why or why not?**
- 4. If someone said, "Are you sure you're going to heaven?" what would you say?**
- 5. Spend some time in prayer, thanking Jesus for being our savior, and praying for those who are still exploring.**
