## Part 5: Shield of Faith

### Study Guide

(suggested time for each portion)

**Fellowship** (15 min)

**Discussion** (35 min)

**Ephesians 6:10-18 - Read the passage together**

- **What did you think about the teaching on Sunday?**
- Was there something you learned that was new to you, or something about which you were glad to be reminded?
- What was one thing that you sensed the Spirit saying specifically to you?
- (For those who are slow to engage)
  - o What are your thoughts about the ranking of the evil spirits?
  - o What about the word of warning?
  - o What piece of equipment was prayer said to be like? Is that true for you?
  - o Which size of shield does Paul say Faith is like – small, medium, large?
  - o What is faith?
  - o Why does he say “in all circumstances” about faith?
  - o What does it mean that faith quenches ALL the fiery darts of the enemy?
  - o Is there a part of your life or experience where you need to believe God and have faith in His way?

**Prayer Time** (20 min)

- What is the benefit of praying without ceasing? Is it possible?
- What concerns or praises can we offer to Him?
- (Please remember that we want to spend time in prayer, not just in sharing prayer requests. If we allow plenty of time, we can have a prayer experience that is not rushed. Growing in comfort level with prayer time will be a process; just take one step at a time! No rush.)
